5. Instruct the Acting Director of Public Works to post adequate signs along the affected streets to reasonably apprise the public as to the nature and extent of the prohibitions.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The rescission of existing street sweeping regulations is necessary in order to implement the revised street sweeping schedule.

Implementation of Strategic Plan Goals

These recommendations are consistent with the County Strategic Plan Goals of Service Excellence and Organizational Effectiveness as implementation will accommodate the residents' requests and optimize the effectiveness of our street sweeping operations in conjunction with trash collection.

FISCAL IMPACT/FINANCING

Sufficient funds are included in the proposed Fiscal Year 2005-06 Road Fund Budget to cover the minor costs of removing and installing the necessary signs.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The California Vehicle Code authorizes your Board to implement these traffic regulations which are required prior to enforcement by the Sheriff's Department.

ENVIRONMENTAL DOCUMENTATION

The establishment of these regulations, including the installation of related traffic control devices required to notify the motoring public, is categorically exempt under Class I-(x)7 of the Environmental Guidelines approved by your Board.
